HOW PROTIQ WORKS

HIGH-QUALITY 3D OBJECTS
IN A JIFFY

CREATE FILE

1.

We can process your file in many popular formats.

www.protiq.com

UPLOAD FILE

2.

Just move your file into the Upload field via drag-and-drop – that's it.

PROTIQ checks and repairs your file automatically.

CONFIGURE OBJECT/ ENTIRE ASSEMBLY

3.

Select the material, change the size and choose the desired color and the preferred finish.

The corresponding price is shown immediately.

3D PRINTING

4.

We produce quick results, with high precision and using high-quality materials.

SHIPMENT

5.

Express delivery upon request.
